

seek_grooming_spot

```
graph LR; A[seek_grooming_spot] --> B[move]
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The first box on the left is gray with a black border and contains the text 'seek_grooming_spot'. A dark blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'move'.
